

"Dear District 19 GRs, Coordinators and Officers,

District 19 has formed a Thought Force* that is proposing ideas for the format in which the District will conduct their future business/workshop meetings. We are using the "Knowledge Based Decision Making" approach to do this and as such the Thought Force would like to gather "Knowledge" to present to the District 19 GRs, Coordinators and Officers. As part of this "Knowledge" collection we would like to survey the GRs, Coordinators and Officers with the following question:

What format would you prefer the District 19 meetings be in?:

1. In person (at a central location)
2. On Zoom only
3. A hybrid of in person and Zoom

We would like to discuss the options and take this survey at the April meeting but wanted you to have a chance to think about the options and also consult with your AI-Anon groups before hand.

Many thanks.

Your District 19 Meeting Format Thought Force

* "A thought force is a temporary unit of people established to brainstorm ideas and to develop strategies on a single defined task or activity. It uses the resources available such as perspective of members of the thought force and Staff knowledge...The objective is to identify the potential idea not to write the actual text itself." -- AI-Anon /Alateen Service Manual 2018-2021
