

The Welcoming Electronic Groups Thought Force is seeking your participation

Group Representatives, please ask the members of your group the following questions and provide their responses to your DR on or before your January 2023 District business meeting.

District Representatives, please provide your GR responses on or before January 29, 2023.

Framing: Because Electronic Meetings were not a part of any service structure, some of their members may not have participated in District and Area meetings.

- 1) How might our Area welcome and support them?
- 2) How might we help them understand the service structure in our Districts and Area?
- 3) Are members willing to organize service workshops or act as Service Sponsors?
- 4) What other kinds of support could our members provide?
- 5) Are there any kinds of support which it would be wise for us not to provide?
- 6) How might District meetings need to change to accommodate trusted servants living within and outside the Area?
- 7) Would Areas need new service roles to support groups which meet electronically? Why or why not?
- 8) Are our groups willing to financially support additional Area service roles and/or technology?

Thank you for practicing *Concept Four, Participation is the key to harmony.*
Your responses will help inform how NCWSA will proceed with welcoming Electronic Groups!
